The success of cleaning up the wine spilled, coffee knocked over and food dropped has not always been great, however there is one product on the market that has been proven to really work.

The success of sales has resulted in Stikatak's Carpet Stain Remover becoming the consumer's number one choice for lifting stains, according to recent research.

Designed to work on the majority of carpet and upholstery materials in the home, car or workplace, Stikatak's Carpet Stain Remover can be used without water or rinsing. The instant foaming action lifts dirt and grease within 15 seconds and the anti-static properties combine a pleasant smell with effective cleaning.
